

Concordia Plus DHMO Dental care made easy.

Concordia Plus covers routine dental exams, cleanings and X-rays at 100%. You also have coverage for services like fillings, crowns, dentures, root canals, and orthodontics. And prices for your care are easy to understand. Your schedule of benefits shows exactly what each service costs.

Choose a primary dentist office.

When you enroll, you have to pick a primary dentist office (PDO) from the Concordia Plus network. You must visit this dentist for your care to be covered. If you don't choose a PDO, we'll assign you to the one closest to your home. Don't worry — you can switch anytime you want.

Getting care from a dental specialist.

If you need to see a specialist such as an oral surgeon or orthodontist, your PDO will refer you to someone in your Concordia Plus network. You'll pay your copay to that office.

What's a DHMO plan?

DHMO stands for dental health maintenance organization. It's a dental plan known for low monthly premiums, no deductibles or annual maximums to worry about, and set fees for covered services. DHMOs are easy to use, and you always know what you'll owe.

The Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
